Kayitz is an incredible 9-day trip through the South of Spain, beginning in Granada, travelling through Cordoba and ending in Seville.

The trip is packed with adventure, spending time at a theme park, learning about Spanish Jewish history and having classic LJY kef (fun), all whilst bonding as a group.

# CÓRDOBA

In Córdoba, we'll explore the Jewish Quarter and beautiful Mezquita de Cordoba (a cathedral-built-on-a-mosque-on-a-chapel). Our evenings will be filled with classic Ijy kef. You can expect to have loads of fun with friends both new and old.

Learn about Jewish history, soak up the Spanish sun, spend time making friends and creating a community all whilst having the time of your life!

# GRANADA

In Granada you will learn all about Spain's rich multicultural histories, eat traditional tapas and visit the stunning Alhambra Palace. To cool down from the hot Spanish sun you will spend the afternoons lazing by the pool and perusing around a fantastic science museum.

# SEVILLE

The last stop on Kayitz Sefarad is Seville, where the group will visit the beautiful gardens. Spend a day in the seaside city of Cádiz and visit the fantastic Isla Mágica (theme park) and ride thrilling coasters!!
